Protect Your Investment – Your Home vs Termites

The Neuse Termite & Pest Control would like to continue the *termite* protection on your home.

Termite Facts:

- Termites will cause over 1 billion dollars in damages to US homes this year.
- Termites need the wood in your house to survive.
- Wood joist may look solid, but actually be hollow from termites.
- Termites are survivors; they have existed since before the Age of Dinosaurs.
- No Home is "Termite Proof".
- A professional inspection from Neuse Termite & Pest Control is the best method to find and eliminate the hidden invaders.

Your home was pretreated when it was being built, giving you the advantage against termit attack. The builder paid for the first year for you. That year is now up & to continue your advantag home is due for its annual "check up". The Neuse Termite & Pest Control can assure your homes s and your peace of mind.

To continue your termite protection, please mail in your renewal payment along with this the self addressed envelope, or call the Neuse Termite & Pest Control at 919-553-9888. **Please p us with your home number and/or work number so we may call you to schedule this servic**

Your annual renewal fee is: $ 110.00

What is covered for $ 110.00

- Annual inspection of property
- ***$250,000 damage repair guarantee on damage caused by termites***
- Retreatment at no cost should reinfestation occur
